7 SERIES: ARMED WITH DIVERSITY

In support of the thin blue line, we have innovated torches technology. You'll be ready for whatever is on the other side of the dispatch call. Our 7 Series Tactical Torches are diverse, tough and the smartest tactical lights to hit the streets. With wireless or USB rechargeability, battery level indication and up to 10000 plus blinding lumens

DON'T LOOK BACK 7600 / 7100 / THE PIONEERS PUSHING PELI TACTICAL LIGHTING TO THE FOREFRONT

Our 7600 and 7100 are Peli's first advanced tactical lights to set the standard and pave the way for high performance with tough as nails DNA you'll find in the 7 Series family. From selectable and programmable modes - ranging from strobe to super bright lumens, traffic wand options and battery level indications, you'll see that these lights are tough and versatile. You'll never look back.

STAY IN CHARGE 7110 / 7610 / 7620 / OUR NEW MULTI-BATTERY TACTICAL SQUAD

Don't let low battery power freeze you in your tracks. Our new 7110, 7610, and 7620 tactical lights are compatible with AA, CR123 and rechargeable batteries, giving you the option to reload with more battery options to keep the mission going. Large (7620), medium (7610) and small (7110) light sizes are available for the right fit.

PELI™ 7110 | 7610 | 7620

- Anti-Reflective (AR) Glass Lens
- Ingress Protected IPX8 Submersible

MORE THAN AN ON/OFF SWITCH 7070R / THE MOST TECHNOLOGICALLY ADVANCED TORCH

Think of it as Artificial Intelligence in a torch. The new 7070R can be programmed via Bluetooth™ app and USB wireless rechargeability keeps the 7070R free from connecting USB cables directly to the light. Dual Switch technology activates the light by forward or rear mounted switches giving you the option to move from duty to tactical situations instantly.
