

3315RZ0-RA

Right Angle Light

The unique Peli™ 3315RZ0-RA (Right Angle) LED light is powered by a special designed lithium rechargeable battery that provides a life expectancy of over 2,000 cycles, 4 times more than the 500 cycles that batteries usually last. Lightweight and with three lighting modes (high/low/flashing), it shines up to 132 lumens of clear brilliant light and delivers a run time up to 34 hours in a small compact design. Additionally, this torch features a full time battery level indicator that is conveniently integrated into the switch. Its ergonomic polymer body is engineered with a sure-grip texture.

The 3315RZ0-RA (Right Angle) light is equipped with a right angle adapter with clip that provides hands free lighting. This adapter allows the torch head to articulate, directing the light exactly where you need it.

- Full Time Battery Level Indication
- Ingress Protected IPX7
- 3 modes High / Strobe / Low
- Lanyard (included)
- Special Lithium rechargeable battery provides 2,000 cycles (a 300% increase)
- Up to 132 Lumens
- Up to 34 hours, 15 minutes run time
- Articulating right angle adapter with clip (included)
